Functions at Bloodhound Bar

Set thick in the action of the Fortitude Valley night precinct on Brunswick St, Bloodhound Bar is a multi purpose watering hole, restaurant, live music and function space set in an iconic, heritage listed building

At Bloodhound Bar, we take great pride in our ability to tailor-make packages to suit our clients' needs, be it for corporate events, birthday parties, cocktail parties, product launches, photo shoots, and more.. You name it, we'd love to help you bring your event idea to life!

ABOUT US

Bloodhound Bar opened its doors in May of 2015, in a beautiful old building originally built in 1882 as Lennon's Grocery Store.

Our mission while renovating was to expose, preserve and highlight the original features such as brick walls, floorboards, open fireplaces and high ceilings.

Bloodhound Corner Bar & Kitchen serves up great local, national & international beer on our custom built 10-tap copper font, as well stock a fine selection of wines, spirits and in-house designed cocktails!

On the food front, we proudly present a toothsome menu, centered around our selection of authentic Mexican soft corn tortilla tacos, mouth watering burgers and shared plates.
